SUBJECT : Marshall Islands Legislature Resolution.

REF :

file: Trusteeship Council

1. Attached is a copy of Resolution No. 71 of the Marshall Islands Nitijela, received by the Mission on November 5. Inter alia, the resolution states that the United States has consistently refused to discuss seriously the possibilities of independence or alliance with a country other than the United States, taking for granted continued association between the United States and the Trust Territory of the Pacific Islands. The resolution asserts that there have been denials of human rights and fundamental freedoms and that the United States has not acted to promote the well being of the inhabitants of the Trust Territory.

2. The United Nations Trusteeship Council is requested to commission an investigation into the performance of the United States in respect to the Trust Territory of the Pacific Islands.

3. Najmuddine Rifai (UN SEC) has reported to the Reporting Officer that the United Nations has received a copy of the resolution. It is their intention to circulate it as a petition in UN document form, requiring a response by the United States Government.
