

Canada, Canadian nationals and British subjects, Mexican nationals, and waiver of passport and visa requirements for certain aliens residing in Canada or Bermuda are a few examples.

We feel that passage by Congress of legislation such as the attached proposed bill will do much to strengthen the ties between the United States and the Trust Territory, eliminate another potential point of criticism from the United Nations, while at the same time not go so far as to invite further criticism under the ground of "colonialism" or "imperialism."

Sincerely yours,
