Dear Mr. Taitano:

Many months have elapsed since the Trust Territory filed an official request for Peace Corps' help. In the meantime our consideration and study of suitable projects for the Peace Corps have continued.

We are still keenly interested in the possibility of this source of help and would like to know if anything tangible has been accomplished at the Washington level. Would it be possible for you to make a discreet inquiry as to our status at this time?

Sincerely yours,

M. W. Goding
