Honorable Wayne N. Aspinall
United States Congress
Washington 25, D. C.

Aspinall J-11d

Dear Congressman Aspinall:

Many thanks for the comfort I get from your letter of
March 22, 1962.

I know now that you are aware of our critical problems
and, as you did for us in Alaska, you will help us here.

Bureaucracy may slow progress but thank God, because of
men like you, our United States and democratic government
moves forward.

Respectfully yours,

Jos. T. Flakne
