Office of Legislative Reference (Mr. Andrews)

September 10, 1962

Resources and Civil Works Division (D. C. Lindholm)

Department of the Interior draft bill, "To amend the Act of June 30, 1934 (48 Stat. 330; 48 U.S.C. 1651), providing for the continuance of civil government for the Trust Territory of the Pacific Islands, and for other purposes."

Please request the views of the following agencies on the attached subject bill: Defense, Justice, Health, Education and Welfare, State, and Treasury. GAO may have some interest in this but I don't consider it so essential that we would have to request their views. Russ Saunders is sending direct to your office ten copies of the subject bill. I suggest that we send each agency two copies of this bill and give them a one-week deadline.
