PERSONAL

Honorable Ted Sorensen  
Special Adviser to the President  
The White House  
Washington, D. C.

Dear Ted:

I am sure you will enjoy reading this number of the Micronesian Reporter. It includes a great number of the New Frontier achievements.

Since it came out last week, we have achieved more successes. The first private airline has been established from Guam to Saipan. It is an Air Taxi Service, and undoubtedly will help tremendously in uniting all the Trust Territory with Guam and the United States of America.

Three days ago we inaugurated a beautiful steak house called "The Fountain". The latest one, an effort to establish a tourism industry. I am pleased to include some pictures of the event.

Also, I am sending you the 1961 Report of the South Pacific Commission. This report is sent to the government of Australia, France, The Netherlands, New Zealand, The United Kingdom and The United States of America. You can see my participation on page sixteen.

Giving my congratulations to our great President on the way he is handling the Cuban situation, and enjoying our great success on the last election.

Sincerely,
