Dear Mr. Goding:
of the assigned missions;

I am sending you the enclosed memorandum to confirm our discussion regarding the additional data needed for the economic development section of the Task Force Report.

I hope that it will be possible to supply this data within the time limit indicated in the memorandum since we are planning to bring the work of the Task Force to a conclusion at an early date. This request for additional details offers a real opportunity to highlight the most urgent economic problems of the Trust Territory, to enlist the support of the Task Force in solving these problems, and possibly to obtain additional funds for projects that will have an immediate impact on the economy of the Trust Territory.

Sincerely yours,

Richard F. Taitano

Attention is invited;
