Dear Mr. Goding:

Please find enclosed a copy of the White House Press Release regarding the United States Survey Mission to the Trust Territory of the Pacific Islands, and a copy of a list of members who comprise the Mission.

As you will note, Mr. Solomon, head of the Mission, is expected to arrive in Guam on July 2, and will be a guest of the Governor of Guam until his departure for Saipan with other members of the Mission on July 5. The other members of the Mission, are expected to arrive in Guam on the 4th of July where they will spend the night. Commander C. H. I shall appreciate your arranging suitable accommodations either at the Trust Territory Hotel or commercially, for the Mission while they are in Guam and their subsequent trips throughout the Trust Territory. Whatever courtesies are extended during their extensive visit will be indeed appreciated.

I shall keep you apprised as to any changes in plans and/or schedule.
