Dear Mr. President:

As the year draws near to the end, I think of you and remember your generous courtesy and warm hospitality extended me while visiting with you in person last year through the kind introduction of Honorable John Young of Texas. It was indeed a gratifying opportunity for me and the short but pleasant moment will always be cherished all through my life.

On behalf of my people in the Marshall Islands I wish to extend to you and your family our deepest gratitude for all your kindness and for your excelent leadership in the role of the United States in our islands.

All of us also wish you and your family a Merry Christmas and a very Happy New Year.

Yours very truly,
