OFFICE OF THE SECRETARY  
WASHINGTON, D.C. 20240

**Memorandum for Charles Schultz**

A variety of circumstances concerning the Trust Territory, particularly a proposed Peace Corps program for the area which may be announced by the President next week, make it imperative that the proposed bill which I transmitted to your Bureau on March 29, to amend the ceiling authorization for the Trust Territory, be cleared as soon as possible. I would greatly appreciate your doing all you can to expedite that clearance.

(sgd) Stewart L. Udall

**Secretary of the Interior**
