Dear Governor:

How good it is to have your letter this morning! This is an almost perfect day in Washington and hearing from you added the final touch. I've never seen greener trees, brighter sunshine nor more beautiful flowers.

I'm especially pleased to have your thoughts on the appointment and your personal appraisal of Mr. Norwood.

Marion joins me in sending warmest greetings to you and Mrs. Burns.

Sincerely,

W. Marvin Watson

JOHN A. BURNS
GOVERNOR

Dear Marv:

Please accept my heartfelt gratitude for the recognition the President has accorded Hawaii and myself in the appointment of Mr. William R. Norwood as High Commissioner of the Trust Territory.

In my own opinion, this appointment is outstanding both in its recognition of the individual and in the expanding role of Hawaii in the Pacific and with the peoples of Pacific countries. Mr. Norwood has a long and distinguished record in private life and more recently with this Administration. He is most admirably equipped to comprehend and to cope with the diverse problems of the Trust Territories, and he will certainly receive whatever cooperation and assistance from the State of Hawaii he may deem desirable.

Thank you very much, and warmest personal regards. May the Almighty be with you and yours always.

Sincerely,

Jack
