Dear Senator Fong:

Thank you for your letter in which you recommended that Peace Corps Volunteers be assigned to the Trust Territory of the Pacific Islands. We agree that these volunteers could perform highly useful work in this area.

Actually, at the time we received your letter, representatives of the Peace Corps and our people concerned with the territories were already well along on planning for such a project. As you will see from the enclosed brochure, the project is now an accomplished fact.

Your interest and effort in seeking to improve the lives of Trust Territory citizens is much appreciated.

Sincerely yours,

(sgd) Stewart L. Udall
