mentioned as possible candidates are Mayor William F. Walsh of Syracuse, Edward A. Rath, the Erie County Executive, and State Senator Thomas Laverne of Rochester.

The present Controller is Arthur Levitt, the only elected Democrat in the state administration.

Mr. Spad, who was re-elected state chairman at the Republican committee meeting, urged the party organization to work hard to re-elect Governor Rockefeller, Lieut. Gov. Malcolm Wilson and Attorney General Louis J. Lefkowitz.

The committee unanimously adopted a resolution, similar to one adopted earlier this year, describing Mr. Rockefeller as "best qualified, by vision, courage and experience to lead this state into the 1970's."

In his prepared speech Mr. Spad mentioned the state's new medical assistance program, which has riled many upstate residents, and said that, when the smoke of controversy clears away, "the program will be regarded generally as a soundly practical means of banishing the specter of financial catastrophe for those engulfed by catastrophic illness or injury."

Mr. Spad did not read a major part of his speech, including the section on medical assistance, but he told newsmen later that he stood by the prepared text and had shortened it to save time.

The harmonious one-hour

meeting of the 343-member Republican state committee was the party's formal organizational session after the June 29 primary and was marked by the traditional predictions of victory in the Nov. 2 election.

Besides Mr. Spad, who was re-elected to a two-year term as state chairman, other party officers re-elected without opposition were Mrs. Wilma C. Rogala, of Round Ridge, vice chairman; Guy A. Graves, of Schenectady, secretary; and William L. Pfeiffer, of Old Westbury, treasurer.

LUCKNOW, India, July 12 (Reuters)—Policemen fired today on a crowd of demonstrators in Banda protesting rising prices. Five persons were killed and 60 injured.

The demonstrations in Banda, 120 miles south of here, was organized by left-wing parties as part of a 24-hour general strike in Uttar Pradesh.

Policemen with bamboo canes charged against a crowd of 2,000 people who had tried to storm government offices. The police fired into the crowd after being hit with stones.

Earlier today several railroad passengers suffered minor injuries when about 100 strikers stoned the Bombay-Punjab express at Fatehpur.

U.N. UNIT SUPPORTS U.S. ON MICRONESIA

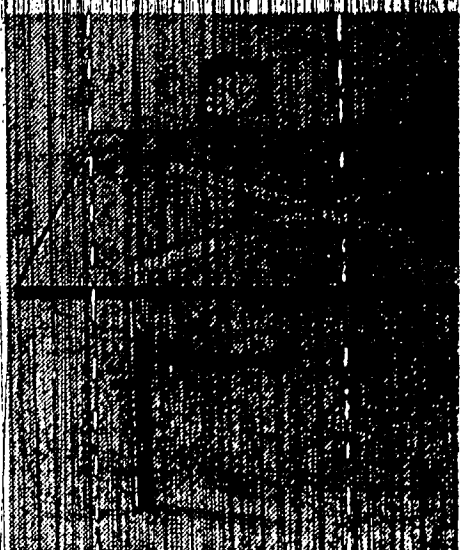

Special to The New York Times
UNITED NATIONS, N. Y., July 12—United States administration of the Trust Territory of the Pacific Islands received a generally favorable report today from the Trusteeship Council. The report will be forwarded to the Security Council.

Known collectively as Micronesia, the 2,100 islands in the western Pacific were under Japanese rule until after World War II. Since then they have been ruled by the United States as a trust territory under the United Nations Trusteeship Council.

Recommendations adopted by the Council included one urging the United States to take steps to expedite independence for the Micronesians. An amendment put forward by the Soviet Union that would have set a deadline for a vote by the islanders on self-determination was defeated.

The Council acted after having heard a report by the newly appointed United States High Commissioner for the Trust Territory, William R. Norwood, on recent developments.
