REMARKS

We understand the Director has asked that you check on the progress of the Trust Territory legislation. The bill as noted in the attached memo, has passed the House Committee. Mrs. Van Cleve reports that prospects for passage are good. A special post-committee action hearing was conducted on Wednesday (9/28) to discuss the makeup of a \$32 million authorization for 1967. It was very well attended (15 congressmen or more) and included Representative Saylor and Representative Sisk of the Rules Committee who indicated his whole hearted support of the measure. Mrs. Van Cleve can fill you in on the rest of the attendance and indicated prospects for the legislation.
