Mr. Jack Vaughn  
Director of the Peace Corps  
805 Connecticut Avenue  
Washington, D. C.

Dear Jack:

I am returning a signed copy of our memorandum of agreement which I regard as a good document although obviously it will not provide answers to all of the problems that are bound to arise. There should respond to the question of some home base and recognition that the Peace Corps and Trust Territory Administration have a solid mutuality of interest.

I have been very favorably impressed with the Peace Corps volunteers I have met in our area so far and am confident they will be of substantial assistance to us.

John Pincock and I are off to a good start and I hope that a comparable mutuality of respect and effectual working relationship can be established at this end of the line between the Peace Corps and Interior Department.

Ross Pollock and I have had a couple of good discussions covering some of our areas of concern.

I hope that the next time I come to town I can have a visit with you.

Sincerely yours,

*W.R.W.*

William R. Horwood  
High Commissioner of the  
Trust Territory of the  
Pacific Islands

Horwood, W.R.
