5757

January 17, 1968

Dear Governor Aspinall:

As we begin another year, I want to take the occasion of the date of my State of the Union message to assure you again of my desire to continue the cooperative relationship we have established.

I am sending you a copy of this message which I will deliver tonight. As always, I welcome your comments and solicit your suggestions.

With your help, we have been able to establish a meaningful and effective Federal-State relationship. I look forward to a continuation of this progressive partnership in 1968.

Sincerely,

Honorable Owen S. Aspinall
Governor of American Samoa
Pago Pago, American Samoa
