Dear Governor:

The President has asked me to thank you for your very kind letter of April 1st. He deeply appreciates your thoughtful and generous comments.

Although it appears it will not be possible for the President to plan to come out to Samoa for the dedication of the Lyndon B. Johnson Tropical Medical Center, we will be in touch with you later about appropriate representation on this occasion.

With the President's best wishes to you,

Sincerely,

W. Marvin Watson
Special Assistant
to the President

Honorable Owen S. ^XAspinall
Governor of American Samoa
