Dear Bill:

I hope you will excuse my delay in answering your letter of June 19. I have been out of town.

I am pleased to enclose a copy of the letter which I have sent to Secretary Udall and trust that it will be helpful. You will note that, in addition to making a sincerely complimentary evaluation of your performance at the Trusteeship Council, I have also added one or two suggestions which I hope will be helpful to you and your staff in connection with the preparation of your future reports.

We have checked on the present status of the supplemental appropriation. I am sure you will be pleased to learn that the Senate approved an appropriation of \$6,900,000 which was cut to \$6,200,000 by a Conference Committee and was passed by both Houses at the latter figure. The bill is now in the White House for signature. I am pleased if we were able to be helpful in getting this moved along and hope you will not hesitate to call on me at any time that you think I can be helpful.

Once again, I want to thank you for your excellent presentation to the Trusteeship Council. You were most helpful to the U.S. Delegation in the successful outcome of this Session insofar as U.S. interests are concerned, and it was a great pleasure to see you as well as Mr. Craley again. Please do get in touch with me whenever you are back in Washington.

The Honorable
W. R. Morwood,
High Commissioner of the
Trust Territory of the Pacific Islands,
Saipan, Mariana Islands.
