TO THE PRESIDENT

I herewith hand you a very interesting photograph from Saipan showing all that was left of the interior of the ^XMunicipal Legislative Hall after it was hit by the recent Typhoon Jean. The photograph was sent to me by our Regional Director, Mike O'Callaghan.

Please note that the only two things which remained undisturbed were the President of the United States and Father Time.

You are receiving excellent commendations and press for the manner in which your disaster allocation has enabled the Trust Territories to recover from this typhoon.
