Dear Mr. Norwood:

The Interior Report of the Future Political Status Commission of the Congress of Micronesia arrived today, and with great pleasure I immediately set all else aside in order to turn to it and read it with reasonable care. This I have done, and I now feel constrained to write immediately to say that I am delighted with the volume. It seems to me an extremely able piece of work -- well organized, well written, informative, and very useful indeed. We will share it widely in Washington and will profit from having it available. I hope you will pass to Mr. Salii and his associates my congratulations for a job very well done. Of course the task has only been commenced, but this is a wonderfully auspicious beginning.

Sincerely yours,

(Sgd.) Mrs. Ruth G. Van Cleve
