

MEMORANDUM

THE WHITE HOUSE

WASHINGTON

②

August 22, 1968
Thursday - 6:15 p.m.

FOR THE PRESIDENT

Your recent action in declaring Bikini Island safe for human occupancy and establishing a redevelopment program for its native inhabitants has been extremely well received. It has real symbolic value in this area.

You have received the attached letter from Commissioner Norwood and I thought you might want to send a personal reply. A proposed response is attached.
