Dear Commissioner Norwood:

This Christmas Season brings our special message of good wishes to you and to the people of the Trust Territory of the Pacific Islands.

Mrs. Johnson and I are joined in gratitude for all the cooperation you have given us in these difficult years of leadership. We hope that the promise of America may continue to unfold in your lives through the years ahead, and that you may always share fully in its many blessings. And we pray that God may speed the coming of that day when all of us will be brothers in the peace and partners in the progress for which together we have worked so long and hard.

Sincerely,

Honorable W. R. Norwood  
High Commissioner  
Trust Territory of the Pacific Islands
