1. Micronesian delegation arrived Washington Sept 30 to begin discussions on future TTPI. To date talks devoted largely to procedural matters and exchange of position papers on certain issues. Micronesians appear share USG inclination to maintain low profile and as result there has been no press play.
2. Dept Offs briefed British, Australian and New Zealand Embassy reps on Sept 30 as to our position (airgram follows) and stated would provide further info after delegation departs.
3. In event of inquiries, addressees should state USG previously announced such talks would take place in fall if Micronesians desired. This obviously only preliminary
