Tokyo A-387

5 of 5

April 23, 1969

I certify that I have compared the Japanese language text and the English language translation of the Japanese note dated April 18, 1969 replying to a United States note of the same date and concerning entry by Japanese fishing vessels and their crews into the ports of Palau and Truk, and have found that the two texts are in conformity with each other and have the same meaning in all substantive respects.

Rodney E. Armstrong  
Second Secretary of Embassy
