MAY 15 1969

Dear Honorable U Thant:

I am already admitted to a Graduate School in Kearney State College at Kearney, Nebraska (68047). I did not apply to Kearney State College for the sake of applying and get admitted only. It was my intention to attend the Graduate School when I sent in my application. Now that I have been admitted, I need some money to go to school.

For your inspection, I am including a photocopy of a letter of admission from Kearney State College.

It is for the purpose of obtaining some money before September/1969, and this only that I am writing to you. I am writing to you for financial assistance from the United Nations or any suggestions that you might offer on this matter.

Sir, if there is anything that you can do to remedy my financial difficulty, then I earnestly ask for your help. Please help your poor fellow-man who is in need of money. Thank you very much, Sir. I always remain,

Respectfully yours,  
NYC Coordinator/Palau Islands
