MEMORANDUM

TO : Legal Education Advocates
FROM : Don Hartsock, Deputy Director, FC/Micronesia
SUBJECT: Reports on Legal Education Efforts

Gentlemen, the reports attached are from several, but not all, of the PCV attorneys serving in Micronesia, as you will note, from the requesting letter of March 24th. These reports were requested for information necessary to assist future Peace Corps programming requests and, as such, constitute an interim report on legal education in which the PCVs have been involved.

If we can assist further in this effort, please do not hesitate to contact us.
