MEMORANDUM

TO: Mel Mirkin
Micronesia Operations Officer
PC/Washington

FROM: Laurence A. Johnson
Director
PC/Micronesia

SUBJECT: Lawyers Request.

In reference to your cable about married personnel as Lawyers, we can use as few as possible. They will do a lot of travelling in some cases. The wives have been a problem in the past.

Below is a breakdown of how the requests could be and in all requests a single lawyer would allow most flexibility.

- Marianas - 2 Congress - Both single
1 Attorney General - Married
(The two municipal requests are low priority and could be handled by this request.)
- Yap - 1 Legislature - Married
- Palau - 1 Legislature - Single
- Truk - 1 Legislature - Single
- Ponape - 2 Legislature - Single
Kusaie - Married
- Marshalls - 1 Legislature - Single
