Dear: 

Thank you very much for your letter of July 22, concern-  
ing Peace Corps' activities in Micronesia. As you were  
previously informed, I was out of the country at the time  
your letter arrived, resulting in this delay.

The tenor of your letter leads me to believe there is a  
misunderstanding between Dean Hill and myself as to what  
Peace Corps' needs in Micronesia are. I had intended  
to convey to Mr. Hill the suggestion that Boalt Hall join  
with Peace Corps in a joint venture to improve the state  
of the legal art in Micronesia. Specifically, I had asked  
whether Boalt Hall would be interested in sending a team  
of law school graduates along with a faculty advisor to  
Micronesia to survey the situation and prepare and later  
execute a program which would improve legal services.  
The graduates would be funded and serviced as Peace Corps  
Volunteers. The University would supply a faculty advisor  
and prepare the graduates by seminar or other means during  
their third year for their efforts. Peace Corps, however,  
is not in a position to hire an independent director for  
this type of project.

Nevertheless, thank you very much for your interest.

Very truly yours,

Melvin J. Mirkin  
Program/Training Officer-Micronesia
