Gentlemen:

I am a former Peace Corps Volunteer (Chile 1964-66). In May of this year I will join the new Micronesian Legal Services Corporation as an attorney. In that connection I would very much appreciate receiving whatever materials you can make available to me on Micronesia. I am particularly interested in general material of a descriptive nature, such as might be used to acquaint prospective volunteers ~~in~~ for Micronesia with that area. I am also interested in any bibliographies which you might have on the Trust Territory, back issues of the Peace Corps Volunteer containing articles on the Peace Corps program in Micronesia, and any papers that may have been prepared with regard to the controversy over Peace Corps lawyers in the Trust Territory. I will be most grateful for whatever of this information you are able to send me.

Sincerely,
