MEMORANDUM

TO: Charles
FROM: ~~Nancy~~
SUBJECT: Continuing Legal Education for PCV Lawyers

In a conversation with Adrian DeGraffenreid (PCV lawyer/Yap), he requested that I ask you about the status of your suggestion that Volunteer lawyers receive continuing legal education while serving abroad.

I understand that your suggestion was to send the lawyers current trends and important court decisions. Adrian indicated that this is a service that can be provided by subscription or similar arrangement.

Please advise.
