MEMORANDUM

TO: Charles Shorter

FROM: Bob Currie *Bob*

SUBJECT: PCV Lawyer, [REDACTED]

Farley was kind enough to mention this afternoon, that PCV lawyer [REDACTED] left this morning for Japan.

[REDACTED] is accompanying five to seven members of the Congress of Micronesia who are exploring possible future relations with Japan in the event that Micronesia becomes independent or very loosely associated with the U. S.

The length of the trip will be two to four weeks.

Larry will notify you if anything comes of the trip. In the future, I hope [REDACTED] will keep us more informed concerning the activities of his Volunteers.
