FROM: ^{Bab} Barbara Busch

SUBJ: IP Lawyer - yours of September 13

Charles, as you know it's just too late for us to get anybody into the October PRIST. However, as you can ~~xxxxx~~ in the attached memo, Professional Services now has the names of the VISTA lawyers to work with, and maybe we can get somebody by November or December. (As I told you, to date we haven't got a combined VISTA-Peace Corps application, so these fellows will have to fill out our paper - shouldn't take too long.)
