Subject: PCV Lawyer for Marshalls District Legislature

Ed, do you have any further information on the identification of a lawyer for the District Legislature here?

I met with the Speaker of the Nitijela, Mr. Atlin Anien, on November 5th, and we discussed the need to have a lawyer out here before the next Nitijela session opens in March.

I would appreciate any news you receive from PC/Washington regarding our urgent request for this Volunteer as soon as possible.

Thank you.
