Hicomterpacis for POLAD Comtwelve for Amb. Williams

232083

Some confusion has arisen here in connection with statements on Land and Eminent domain contained in Hana transcript. You will note Crowe presentation on pp. 25-26 leads immediately into continuation Williams presentation page 27. This may lead reader to assume erroneously that Crowe text continues to end of section. To prevent possible misunderstandings Amb. Williams requests, if it would not cause undue delay, that you insert by stamp or by pen and ink following words at bottom of page 26: "End Crowe presentation". Amb. Hummel sends.
