MEMORANDUM FOR MR. PEDRO SANJUAN
DEPUTY DIRECTOR, NEGOTIATIONS &
ARMS CONTROL/ISA

SUBJECT: Compact TTPI

The following clause is being considered for incorporation in the Compact, under negotiation at the present time, with Micronesia. May I have your comments on one of the attached copies?

"In its use of its facilities and in pursuing its activities on the territory of Micronesia under this Compact, the United States shall refrain from engaging in any activity contrary to or inconsistent with its treaty commitments, including all such commitments relating to the testing of nuclear weapons or the protection of the environment."
