MEMORANDUM FOR MR. DENNIS DOOLIN, ISA OSD

SUBJECT: Draft - "Agreed Compact" - Trust Territories of
the Pacific.

The attached Draft - "Agreed Compact" - was reached during most recent negotiations with representatives of the Micronesian Congress. The "Defense Powers Section" is largely that which is consistent with the objectives of the Department of Defense - as I understand them to be - and subject to the relatively small number of critical remarks set out on the attached letter.

I was particularly pleased to have the continued support of Capt. Schuller, ISA, and Mr. Barringer in the negotiation and drafting of these documents.
