MEMORANDUM

From: William J. Crowe, Jr.
To: Interagency Group
Subject: Draft Compact

1. Enclosed are the initial drafts of Title VI through XI. There are two Title X's. It is not intended to put forward either of these drafts unless pressed on the subject of "dispute settlement" or "environmental protection". Title V was distributed earlier and, of course, Title IV was given to the Micronesians at the last session.
2. Please review Titles IV through XI and forward your comments to this office ASAP.
3. Ambassador Williams will be in Washington from 18 Sept to 22 Sept. We will be in the final stages of preparation that week and I may be requesting members of the delegation and IAG to meet with him on short notice.

William J. Crowe, Jr.
