1/ Changes to ongoing programs are caused by the two Department of Labor programs being phased out at the end of FY 73 and a slight increase for the Marianas share of the Water Resources Study (See footnotes Table I).

5. What are the projections regarding Micronesian national income growth over the first 5, 10, 15 years following the termination of the Trusteeship?

6. With regard to imports and exports, what is Micronesia's balance of payments likely to be and if foreign currency requirements exceed export earnings, how will these deficits be met to lessen Micronesia's dependence on external grants and credits?

The Honorable Edward DLG Pangelinan  
Chairman  
Marianas Political Status Commission  
P.O. Box 825  
Saipan, Mariana Islands, 96950

Dear Senator Pangelinan:

Thank you for your letter of the 13th informing me that the Marianas Political Status Commission has now been duly organized and that you have been named Chairman with President Santos serving as Vice-Chairman. We were pleased with this information and we do look forward to working closely with you and with the other members of your delegation.

In response to our earlier letter and invitation from President Santos I had proposed a preliminary meeting during the last week of October in San Francisco. You are now suggesting that we meet in Hawaii immediately following the conclusion of the Sixth Round of Talks with the Joint Future Status Committee. This is agreeable with me. Moving the date forward will be much more convenient for you and Herman and hopefully, President Santos.

I am afraid that we are going to have to disappoint you and Herman since Frank Crawford has already informed Carl Heine that accommodations for wives at Barber's Point will not be available. Perhaps reservations can be made at a close by motel or even the Ala Moana in Honolulu, unless you feel that you both want to stay with the others. If there is anything we can do to help please call on us. It would be a pleasure to see both Mrs. Pangelinan and Mrs. Guerrero again and I hope that suitable arrangements can be made.

With best regards,

Franklin Haydn Williams
