Gentlemen:

About a month ago I wrote you for various items. In your complete response you provided as an extra a small button with the slogan "Free Micronesia". I would very much like 25 more of those buttons if it is at all possible. Since I am unsure of the costs, I include \$2.50. If the charge is any greater, please inform me when you send the buttons and I will be happy to send the additional amount.

With warm regards,

Barry Carter
