A PETITION TO THE HIGH COMMISSIONER AND THE MARIANA ISLANDS DISTRICT ADMINISTRATOR URGING THEIR SUPPORT FOR THE CONSTRUCTION OF A MODERN HOTEL ON TINIAN BY BUSINESSMAN KENNETH JONES.

We, the undersigned citizens of Tinian, Mariana Islands, after hearing the proposals of businessman Kenneth Jones to build a modern hotel on our island have reached the following conclusions:

WHEREAS: Tourism represents our greatest potential for economic development; and

WHEREAS: The existing service and hotel accommodations on Tinian are very limited and inadequate to take care all the needs of tourism; thus discouraging tourist promoters to advertise and encourage visitors to come to our island; and

WHEREAS: Substantial number of new jobs will be made available to the people of Tinian; and

WHEREAS: The development of tourism would assist in our efforts to attain economic self-sufficiency.

WE, therefore respectfully request and urge the High Commissioner and the District Administrator to give whatever necessary support and approval for the construction of a modern hotel on Tinian.
