

How do you
Answer: It's not. The publisher just sticks me in front of the typewriter every day, and I pick at the keys until words come out. When I think I've got enough words I stop. Then I go home and cry a lot. *Marianas*

Good news. Eddie Pangelinan, chairman of the Marianas Political Status Commission was just in the office. He said that it is very likely that the whole Marianas commission would be over on Guam next Thursday and Friday to have some informal discussions with Gov. Camacho, and some members of the Guam Legislature.

Vic Olsen, the intrepid traveler returned from some strange lands, Bali, West Irian, New Guinea, etc. places where few travelers have gone before. In fact, at Flamingo Bay in West Irian, dozens of canoes, all loaded with natives carrying...
