

DEPARTMENT OF STATE WITHOLDING SHEET

The document is a five-page April 1973 memorandum from Donald E. Crabill, Chief, Natural Resources Programs Division, Office of Management and Budget, to Mr. Seymour Weiss of the Department of State; its subject is comments on a draft memorandum to the President regarding negotiations on the future status of the Marianas.

The memorandum contains advice, opinions and recommendations provided to the Department of State from OMB about a draft memorandum dealing with U.S. negotiations over the Marianas; it details various comments of OMB officials about the draft memorandum, and makes specific recommendations based on those comments.

Withheld July 10, 1987 under exemption 5. Portions of document withheld under exemption 1 as well.
