Dear Adrian:

Thank you for taking the time to visit with me last week regarding the current Marianas political status negotiations. As I promised, I am enclosing some recent articles from the Marianas Variety News & Views to give you some additional perspective on the kind of debate which is being generated in the Marianas with respect to its future relationship to the United States.

I look forward to hearing from you regarding the scheduling of an appointment with members of the Territorial and Insular Affairs Subcommittee. Best personal regards.

Sincerely,

Howard P. Willens
