Dear Jim:

I am glad to hear that you will be visiting us later this month. We have made reservations for you at the Hay-Adams beginning August 27 through and including September 1, 1973. This is an old but very nice hotel which is conveniently located both to our office and the Interior Department.

I just had lunch today with Brewster Charman of the Department of the Interior Solicitor's office, who has been appointed by Ambassador Williams to head up the U.S. Delegation's representatives on the joint legal working group. We have arranged for a preliminary meeting of this group for Wednesday, August 22. I think it is very likely that we will have some meetings scheduled during the week when you will be here. Best personal regards.

Sincerely,

Howard P. Willens
