Dear Mary:

I'll probably see you before this letter arrives, but administrative procedures must be carried out. Attached are letters for the HICOM and Frank Ada concerning Sol Silver's visit to Saipan. You will note that he doesn't plan to arrive until September 4.

Haydn suggested that you let Eddie Pangelinan know about Sol's trip and be given a copy of the draft terms of reference before he gets the word from some other source. If Eddie has any recommended changes to the TOR they could be submitted to you or Sol.
