Dear Dick,

Attached are the fact-finding questions which I think will help provide a good data base for making some of the estimates for the Phase I Legal Plan. I also attach a brief working statement of what might be included in the Phase I Legal Plan.

I will look forward to seeing you on Wednesday, September 19, at 2:00 p.m. in your office. If you have any questions don't hesitate to call me beforehand. (The phone number is 872-6041.)

My best,

Barry Carter
