Associate Solicitor, Territories
Division of General Law

Dear Brewster:

Pursuant to our conversation today, I am enclosing four copies of a memorandum discussing a draft citizenship proposal for the Marianas. I hope that you and your colleagues will have an opportunity to review this before our meeting next Thursday, November 1, at 10 a.m. at our office.

In addition to citizenship, I suggest that the agenda for our meeting include discussion of our preliminary proposals regarding the applicability of Federal tax laws in the Marianas and an exchange of views regarding our review of the numerous other Federal laws identified on the computer printouts which you previously supplied to us. Please feel free to add any other items to the agenda which you believe can be usefully discussed by us at this time.

I look forward to seeing you next week.

Sincerely,

Howard P. Willens
