MEMORANDUM TO MESSRS. WILLENS AND LAPIN

RE: Memorandum on Multi-year Financial Commitment

There is attached a draft of the heart of the memorandum on Multi-year Financial Commitment which is being prepared for the MPSC. Since this portion of the memorandum goes into details which have not before been discussed, I am sending it to you now before putting the memorandum into final form. I would appreciate your comments. I will return from Minneapolis on Friday and expect to complete the memorandum then.
