6.	Subtotal	-----	\$ 15,000
7.	Collateral Equipment	-----	\$ - 0 -
8.	Total Project Cost	-----	\$ 15,000

C. COMMENTS:

Cost of installing drop ceiling \$400.00/classroom

D. COMPREHENSIVE DESCRIPTION OF WORK TO BE PERFORMED:

To place plywood drop ceilings in the present emergency classrooms;  
30 in all, existing lighting will be reused.

E. PROJECT JUSTIFICATION:

The heat gain from the un-insolated roof plus the noise during rain makes teaching difficult and cuts down on the student learning efficiency. This project is intended to improve upon the learning environment.
