Dear Jim:

I have, and thank you for, the Congress of  
Micronesia legislation which I requested.

Do you have any suggestion as to how we could  
obtain copies of Guam legislation other than writing to  
Guam? There are several pieces of legislation we would  
like to see in addition to the eminent domain bill which  
I spoke to you about.

Thank you again for your cooperation.

Sincerely,

Michael S. Helfer
